COVID-19 Life Underwriting Update

Temporary Underwriting Guidelines

Lincoln has implemented temporary underwriting guideline changes applicable to all pending and new submissions of Lincoln individual life insurance policies, including Lincoln *MoneyGuard*®. These changes were put into place to effectively navigate the risks associated with the pandemic.

Lincoln will continue to reevaluate our position with changes in the current environment, as the COVID-19 pandemic evolves and/or as the Centers for Disease Control and Prevention (CDC) and World Health Organization (WHO) give further guidance.

PLEASE NOTE: These changes are temporary, subject to change, and will override any underwriting guidelines currently published in Lincoln's marketing or reference material.

Visit www.LFG.com/GoDigital for the latest news and updates, FAQs and resources from Lincoln Underwriting and New Business and Customer Solutions.

Life Insurance Underwriting Updates

Internal Retention	<p>Lincoln's Internal Retention will be reduced to the following limits:</p> <ul style="list-style-type: none"> ▪ \$10 million maximum limit up to age 59 ▪ \$5 million maximum limit, ages 60–65 ▪ Available for term and permanent products ▪ Preferred Plus, Preferred and Standard rate classes only <p>NOTE: There are no changes to Lincoln's autobind limit of \$60 million. Internal retention is only used for cases that are over Lincoln's jumbo limit of \$65 million, offers over the jumbo limit will be limited to \$10 million.</p>
Table Reduction Program (TRP)	<p>The Table Reduction Program is suspended for all life insurance products until further notice.</p>
Postpones	<p>All cases meeting the following criteria will be postponed:</p> <ul style="list-style-type: none"> ▪ Ages 65 and under, rated Table 5 and higher ▪ Ages 66–69, rated Table 3 and higher ▪ Ages 70–79, all substandard rate classes ▪ Ages 80–85, all rate classes ▪ All cases assessed with a Flat Extra greater than \$7.50 per \$1,000 ▪ All cases assessed with a Table Rating and Flat Extra

Underwriting Guidelines for Foreign Travel

The following guidelines apply to all Lincoln life insurance applications, including Lincoln *MoneyGuard*® solutions.

- **U.S. Residents:** Previous restrictions for U.S. residents having planned travel to a CDC Level 3 COVID-19 threat country will no longer be in effect as of August 10, 2020. Travel restrictions continue to apply to the countries listed below per our existing guidelines:
 - Afghanistan – Ethiopia – Mali – South Sudan
 - Burundi – Haiti – Niger – Syria
 - Central African Republic – Iran – Nigeria – Tajikistan
 - Congo – Iraq – Pakistan – Venezuela
 - Eritrea – Ivory Coast – Sierra Leone – Western Sahara
- **Foreign Nationals:** Underwriting offers will be considered for any Foreign National of a CDC Level 3 country that can legally travel to the U.S.
- Each situation will be evaluated on its own merits and we will provide further guidance as more information is known about the pandemic status.
- CDC website [[cdc.gov/coronavirus](https://www.cdc.gov/coronavirus)]

Verification of Health Status

Due to the ongoing pandemic and rapid spread of the coronavirus (COVID-19), Lincoln is requiring the **Declaration of Insurability (DOI) Form [ICC18LFF11709]** for all underwritten life insurance policies issued on or after March 30, 2020. This requirement is applicable for:

- All underwritten Term, UL, IUL, VUL products, excluding Lincoln *MoneyGuard*®
- All ages and face amounts
- Any exam completion date
- Any case that was previously closed and requested to be reopened
- Any case with a Temporary Insurance Agreement (TIA) is in place

PLEASE NOTE: The signed Declaration of Insurability Form is valid for 10 business days from the client signature date on the form. A new DOI form will be requested if the policy is not placed within 10 days of the client signature date, as a result of other placement restrictive outstanding requirements — including, but not limited to: other delivery requirements, premium, or a revised illustration.

The Declaration of Insurability Form is available for completion through the eNIGO process, however, this requirement should not be completed until after policy issue.

The DOI form is required to be signed after policy issue and will be a Delivery Requirement. For 1035 exchanges, the DOI form will be required to initiate the exchange. The policy will not be placed in-force until the DOI form has been signed and returned to Lincoln in good order.

If the client has COVID-19, it must be disclosed. Lincoln will then determine if it can continue to offer the policy or postpone until the client fully recovers.

Contact your dedicated Underwriting and New Business team with any questions.

At Lincoln, we realize that the quality of our underwriting service is critical to your success.

Underwriting classes

Classes may vary by product and age. Check product specifications for available classes.

1. Preferred plus nontobacco

Preferred plus is the best risk classification from Lincoln and includes those applicants who have not used tobacco or nicotine in any form in the past 36 months (except for the occasional cigar, provided the urine specimen is negative for nicotine) and meet all of the preferred plus criteria.

2. Preferred nontobacco

This class is for clients who enjoy exceptional health and have not used tobacco or nicotine in any form in the past 24 months (except for the occasional cigar, provided the urine specimen is negative for nicotine) and meet all the preferred criteria.

3. Standard nontobacco

This class represents those insureds who have an average life expectancy and do not meet preferred criteria. This class includes applicants who use cigars, pipes, chewing tobacco and other tobacco products, and who may test positive for nicotine. Excludes cigarette and e-cigarette smokers.

4. Preferred tobacco

This class is similar to the preferred nontobacco class where the insured meets all the preferred criteria, but the insured has smoked cigarettes within the past 12 months.

5. Standard tobacco

This class is similar to the standard nontobacco class, but the insured has smoked cigarettes within the past 12 months.

NOTE: Marijuana is not considered a tobacco product and can qualify for nontobacco rates.

Vaping of any nicotine substance/liquid is considered tobacco use, and vaping those substances/liquids will be assessed at the tobacco rate.

Build

Preferred plus nontobacco criteria:

Up to age 60

BMI of 30 or less and a minimum BMI of 18.

Age 61 and up

BMI of 31 or less and a minimum BMI of 19.

To determine the applicable rating, first locate the appropriate chart using the client's current age, then find the client's height in the first column. Each cell in that row corresponds to the highest weight allowed for the rating displayed at the top of the column. Find the left-most cell with a value greater than or equal to the client's weight in pounds to determine the appropriate rating.

66+	Within 1 year	Within 2 years	Within 2 years	Within 2 years	Within 2 years

Special notes

- Do not order an APS completed for FAA, DOT, insurance, military or employment purposes.
- For ages under 60 for amounts of \$1 million or less, do not order multiple APSs without prior underwriter approval.
- For ages 50 and older for amounts of \$1 million or more, up to two APSs can be ordered without prior underwriter approval.
- If any of the following impairments are indicated, an APS should be ordered regardless of the age or amount:
 - Cancer/tumor (to include pathology report and follow-up notes from a doctor)
 - Cerebrovascular accidents/strokes or peripheral vascular disease
 - Crohn's disease/ulcerative colitis
 - Diabetes
 - Emphysema/COPD
 - Epilepsy/seizures
 - Heart disease (including coronary artery/valvular disease and heart attack, to include catheterization report and copies of any cardiac tests, if applicable)
 - Liver disorders/kidney disorders (except kidney stones)
 - Psychiatric disorders excluding anxiety, depression and adult ADHD
 - Neurological disorders (including Parkinson's disease, muscular dystrophy and multiple sclerosis)
 - Rheumatoid arthritis
 - Sleep apnea
 - Substance abuse
- At age 70 and older, if there is no personal physician or no physician seen within the past 12 months, Lincoln will not consider for insurance.

While not all-inclusive, remember these are guidelines and should only be used as such. If there is any question as to whether an APS is needed, contact your underwriting partner. When in doubt, do not order a report.

² APS Services

³ Lincoln will not pay the APS Translation vendors directly; however, services completed by these vendors qualify for agent reimbursement. Translations are reimbursed up to \$250 with no prior approval; for any fee above \$250, please contact your Underwriter or the Vendor Management Team at nbvendormgt@LFG.com for approval.

Lincoln strongly encourages the use of our approved vendors.

The advantages offered include:

- Vendors have passed Lincoln's IT assessments, thus assuring the security of our customer, employee, agent and company nonpublic personal information (NPPI).
- Vendors directly bill Lincoln, eliminating out-of-pocket expenses for any field-ordered services.
- Vendors are held to contracted service-level agreements, helping to leverage issue resolution.
- Internal partner support for vendor-related issues.
- Ordered results are electronically transmitted directly to Lincoln, eliminating additional efforts and processing by the agent.

Quick quote tools

We have partnered with two vendors to offer you quick quote options, which will provide you with instantaneous quotes — 24/7 — for Lincoln's UL, IUL, VUL and *Lincoln LifeElements*® Level Term products.

- **Spectra** provides accurate Lincoln quotes for mildly complex scenarios with over 200 impairments
- **XRAE** is available for quotes for many common impairments

To get started, access the Spectra and XRAE quick quote tools on the life insurance product pages of your Lincoln producer website.

We are driven to deliver outstanding service and value through dedicated customer-focused underwriting. We build strong, trusting relationships with partners, seek the top industry talent and use an underwriting philosophy of “easy to do business with.”

Medical reimbursement guidelines

We appreciate your business and thank you for submitting insurance applications through Lincoln Financial Group. We encourage you to use our approved vendors for medical requirements. If you choose to order from an approved vendor, the vendor will directly bill Lincoln Financial, thus eliminating the need for you to pay out-of-pocket and submit documentation for reimbursement. However, if you order requirements from a nonapproved vendor, follow the steps below to ensure you receive prompt reimbursement.

Ordering process

Submit a cover letter with the initial application stating what you are ordering, so duplicate orders do not occur. If the Home Office is notified at this time and the requirement is needed by the underwriter, reimbursement requests will be processed according to the following guidelines.

Reimbursement process

- Include the reason for the reimbursement request, a copy of the invoice, proof of payment, applicant's full name, policy number and applicant's date of birth.
- For APS reimbursements, also provide a contact name at the physician's office or medical facility.
- Reimbursement will be made for the actual APS total cost up to \$250 (includes a maximum retrieval fee of \$17). We will reimburse up to a total of \$250 from each single doctor or source. The total of \$250 is a combined total from each single doctor or source, no matter the number of individual APS records received from that doctor or source. Any amount over the total of \$250 will need to be preapproved by the underwriter. Please have the bill submitted in its entirety for a one-time reimbursement.
- Electronic Health Record (EHR) reimbursement will be processed at a maximum of \$60.00 per data source/provider/facility. Any amount exceeding \$60.00 requires Underwriter preapproval.
- APS translation cost will be reimbursed up to \$250. Lincoln will only accept translations completed by LanguageLine Solutions, MIR Associations Inc. and OSC Communications. Contact underwriter for APS translation approval.
- Medical requirements completed by unapproved vendors or personal physicians will only be reimbursed up to our average approved fee. Contact the underwriter for personal physician approval.
- Bilingual PHIs: We will only reimburse for orders through First Financial.
- All reimbursement requests should be sent to MedFeeReimb@LFG.com.
- For informal or trial applications, we do not pay for requirements, but we will honor requests for reimbursement provided a formal application is submitted.

Additional important information

- For formal applications, we will reimburse for any record that is needed based on the field guidelines for ordering attending physician's statement grid (page 14). Our approved vendors have the appropriate grids. We will reimburse once the formal policy has been submitted.
- You will be reimbursed within 30 days after receipt of your invoice. Please be sure to include a remittance address and name. Reimbursements must be submitted within six months of placement.
- If you select a nonapproved vendor, you will continue to be responsible for providing the vendor with current exam forms, age/amount grids and any other necessary documents needed via intranet sites.
